

South by Southeast is a local non-profit, charitable organization formed in 2003 by area music lovers and educators. Our mission is to provide assistance and support to local music education programs, with a goal to offset some of the costs associated with the music education of young people in our area. Some of our efforts include projects such as Dr. David Bankston's "Guitars in the Classroom" and donations to the Myrtle Beach Middle School Orchestra and to the Long Bay Symphony Youth Orchestra.

If you would like to be a part of this cause, become a South by Southeast Concert Series Member today. Fill in this application and mail with your \$25 annual payment to:
